

Welcome

I am Jyoti Bisarya and on behalf of the entire board, we wish you a very happy holiday season. It is hard to believe that 2021 is almost over. As we approach 2022, we cannot help but pause and reflect on all that we learned and accomplished. We are grateful that we were able to help many families. Here are just a couple of testimonials from people we worked with in the past year.

“My husband was a wonderful man but as the years went by, he got more and more mentally and emotionally abusive. After 2 decades of silently hoping that things would get better, I decided that I could not bear it any longer. I called SD Nari for assistance. Their unconditional support and guidance gave me the courage to have a difficult conversation with my husband about the state of our relationship. Our discussion was a wakeup call for him. I wish I had spoken up years ago. We decided that our marriage was worth fighting for and are gradually rebuilding our relationship. Thank you, SD Nari, for giving me strength to stand up for myself during one of the most difficult phases of my life.”

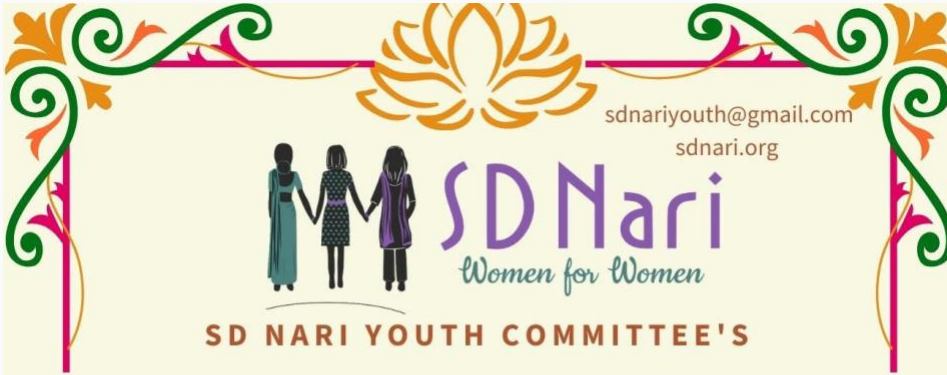

“After our divorce, my ex-wife disappeared with my teenage son. Two years later SD Nari tracked me down in a different state and informed me that my son’s living situation with his mother was unsafe. They were there for me each step of the way as I reunited with my son and established a home in San Diego. Simultaneously they worked with the county to provide my ex-wife the care that she needed. My son is now a happy, healthy, young man. I am so grateful to SD Nari for their unwavering support.”

Even though the pandemic created challenges for us, we were able to continue our good work due to the support of this generous community. Please know that your tax-free donations are

making a difference. As always, if you would like to volunteer, make a donation or know anyone who needs help, please check out our website <https://sdnari.org> or email us at sdnariyan@gmail.com. **Our hotline phone # is (619) 800-8554.**

Indian Clothing Fundraiser

The textile industry is responsible for a major portion of global emissions and we would like to help you make a difference. As a way of doing our part to help the environment, SD Nari is organizing a clothing fundraiser to put all the unused clothes to use. All the collected items will be sold and the proceeds from the sales will go to the SD Nari causes.

Closing thoughts from our President:

Hello! This is Anuradha Kumar. Wow, can you believe this year has come to an end already? First of all, thank you so much for being a SD Nari supporter. Without you, we wouldn't have accomplished half of what we were able to in 2021. SD Nari grew significantly this year as we added 50% more volunteers and 20% more supporters, all of whom are key to making a difference in the lives of women who need it the most. Our senior and youth committees have also expanded and have been pursuing more projects than ever! Our funding from wonderful folks like you grew as well and with your support we were able to truly help many more people this year. Please continue to spread the word about our work, have people contact us if they need help, and consider making a year-end gift of support using the **Donate** button on sdnari.org. Our team is immensely grateful for your sponsorship and advocacy in allowing us to help those in need. I wish you all a happy, safe, and healthy holidays and a prosperous new year. We will see you in 2022!
